Education

Gujarat Technological University

Bachelor of Engineering in Computer Engineering

Oct. 2021 – May 2025

Ahmedabad, Gujarat

Relevant Coursework

- Data Structures
- Algorithms Analysis
- Computer Networks
- Web Programming
- Internet of Things
- Database Management
- Operating System
- Software Engineering

Experience

Denovo Tech

July 2024 – August 2024

Web Developer Intern

Remote

- Developed web sites using HTML, CSS and JavaScript.
- Also worked on WordPress Website development.
- Gained practical knowledge of remote work dynamics, enhancing adaptability and communication skills while adapting to virtual team environment.
- Explored ways to visualize and send a daily report of test results to team members.

Projects

Ecommerce Website / HTML, CSS, PHP, MYSQL

- Developed an Ecommerce website using HTML, CSS, JS, PHP and MYSQL.
- Optimized product search algorithm and streamlined navigation.
- Implemented payment options, allowing user to seamlessly choose between online and offline methods.
- User can track their orders and payment in profile section.

Architecture Website/ HTML, CSS, JAVASCRIPT

- Developed a responsive and visually appealing architecture website using HTML, CSS, and JavaScript.
- Our aim is to showcase architectural designs, projects and services in an organized and engaging manner.
- Optimized website performance by minimizing code, leveraging browser caching, and using optimized images.
- Used responsive designs for compatibility across various devices and applied modern design principles and CSS animations.

MovieHub/ React.js

- Developed an visually engaging movie streaming platform built with React.js.
- Applied API that provides the data according to the query in the search box.
- MovieHub offers an engaging, user-friendly platform for movie enthusiasts to search for and discover their favorite films.
- App features User Authentication, Real time movie data, Responsive Design, Movie Details and many other things.

Technical Skills

Languages/Frameworks: Java, C, HTML, CSS, JavaScript, React.js, MySQL, PHP

Developer Tools: VS Code

Technologies: Git, GitHub, WordPress, Bootstrap CSS, Tableau

Leadership / Extracurricular

Design Engineering

Leader

- Managed process DE project throughout the year.
- Managed team of 5 and had a great experience during that period.
- Received A+ grade from both internal and external faculty for project.

Languages

English, Hindi, Gujarati
